

Hydra-Core Pipe Wall Sampling Kit

Core Sampling Kit - HOW TO ORDER:

1) Select a base Hydra-Core Pipe Wall Sampling Kit

Nominal Sizes	Part Number	Description	Kit Price
---------------	-------------	-------------	-----------

6-8" Core Sampling Kit	7-COREKIT-68	Pipe Wall Sampling Kit 6-8"	CALL
-------------------------------	--------------	-----------------------------	------

Base Kit Includes the following:	6" Centering Ring	6-8 Pilot Bit, 5/8" Diameter, Twist
	8" Centering Ring	Assembly Hardware
	2.5" Centering Tool	2.5" Core Cutter
	6-8 Pilot Bit, 5/8" Diameter, Carbide	

Nominal Sizes	Part Number	Description	Kit Price
---------------	-------------	-------------	-----------

10-12" Core Sampling Kit	7-COREKIT-1012	Pipe Wall Sampling Kit 10-12"	CALL
---------------------------------	----------------	-------------------------------	------

Base Kit Includes the following:	10" Centering Ring, Coring	10-12 Pilot Bit, 5/8" Diameter, Carbide
	12" Centering Ring, Coring	10-12 Pilot Bit, 5/8" Diameter, Twist
	Centering Tool, 4" Diameter with Clips	Assembly Hardware
	Adaptor, 10-12 SM to 4-8 Cutter	

Enter Price of Selected Base Kit \$ _____

2) Select your cutters

Nominal Sizes	Part Number	Description	Kit Price	Standard List
---------------	-------------	-------------	-----------	---------------

6"	8CTSTHS5.5R	Cutter, 5.5" Dia	CALL	CALL
8"	8CTSTHS7.5R	Cutter, 7.5" Dia	CALL	CALL
10"	8CTSTHS9.5R	Cutter, 9.5" Dia	CALL	CALL
12"	8CTSTHS11.1R	Cutter, 11.1" Dia	CALL	CALL
12"	8CTSTHS11.5R	Cutter, 11.5" Dia	CALL	CALL

Enter Total Price of Selected Cutters \$ _____

3) Select your Saw Mandrels

Nominal Sizes	Part Number	Description	Kit Price	Standard List
---------------	-------------	-------------	-----------	---------------

6-8"	8TS468SM41	TS8 Saw Mandrel 4", 6", 8"	CALL	CALL
10-12"	8TI112SM55-CORE	TI12 Saw Mandrel 10" & 12" W/ Set Pin Thru Hole	CALL	CALL

Enter Total Price of Saw Mandrels \$ _____

Add Totals from above to Calculate Your Total Core Sampling Kit Price \$ _____

See reverse side for Valve Cartridge and Cutter sizing information.

- Customers purchasing a complete coring kit will receive coring kit pricing. Replacement parts will be priced at standard list.
- Complete coring kit is defined as all of the necessary components to complete 6-8", 10-12" or 6-12" coring.
- Customers who previously purchased a side tap expansion kit will not require a 5.5", 7.5", 9.5", 10.5" or 11.5" cutter.
- Pricing subject to change without notice.
